# **Emotional Intelligence**

**A highly interactive and experiential workshop program**

*Created & delivered for you by Andrew D. Pope*

---

**With up to 16 people per program this workshop series represents fantastic per head value.**

---

**8 x 90-min sessions delivered over an 8-week period and held at the client's location in a suitable room.**

---

**Includes a course workbook**

---

**The short-format series approach minimises delegate work disruption and maximises delegate learning.**

**According to Daniel Goleman, Emotional Intelligence or EI is the master aptitude.**

**I agree with him and this course provides guidance on how to explore and improve the four key areas of emotional intelligence.**

**The skills and knowledge gained will benefit the individual, their teams and the organisation.**
